

Day of Silence

Friday, April 16, 2010

Please understand my reasons for not speaking today.

I am participating in the Day of Silence, a national movement protesting the silence faced by lesbian, gay, bisexual and transgender people and their allies in schools.

My deliberate silence echoes that silence, which is caused by harassment, prejudice, and discrimination. I believe that ending the silence is the first step toward fighting these injustices.

**What Are You Going to do
to end the silence?**
